INFORMATION & ENTERTAINMENT GUIDE 1996

Dear Guest,

This leaflet gives information on the entertainment and facilities provided for your enjoyment. To fully appreciate The Barry Island Resort we advise you to read this carefully.

Although you may already have received your chalet key, please note that chalets may not have been serviced until the official check-in time of 5.00pm. If, after this time, you have any queries or inventory requests, please go to your nearest Housekeeper's office (the location is shown on the map on the back cover).

For all our guests who are on half-board please ensure that you have your meal tickets with you when you go for your first meal at the Rose Garden Restaurant. Opening times are displayed in the Restaurant.

Please note that, although your chalets are not serviced during the week, refuse is collected daily from the bins at the end of each chalet line.

Have a good holiday!
